

## Teacher Education Refresh Programme: Seeking your practicum placement

1. Look at the schools in your region and choose a school that aligns with your developing teaching philosophy.
2. Phone the school and arrange for a time to meet with the principal.
3. Take with you a copy of the [Practicum Information for Schools](#) which explains the programme expectations.
4. Discuss the possibility of the school supporting you in your 20 day practicum.
5. If you are successful, please advise the school which practicum period you have chosen and ask the principal to complete the Practicum School Form within the [Teacher Education Refresh Programme](#).
